# Haim Double Wall Light

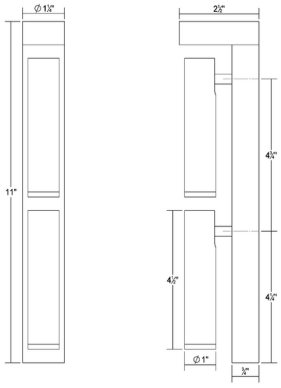

By Sonneman

## Description

The Haim Double Wall Light provides directed, controlled and balanced LED light scaled for residential, hospitality and commercial settings. Its slim, sleek form is an enduring modern presence in your space. One of the light heads has a downlight while the other has both a downlight and uplight. This fixture can be installed in any orientation, and has 180 degree arm rotation and 120 degree head rotation for aiming the lights where needed. 4-step touch dimmers on backplate. Note: This fixture does not mount to a standard US junction box, and the included driver must be installed in a remote location.
