Haim Ceiling Light

By SONNEMAN - A Way of Light

Description

Built with two aimable downlights, the Haim Ceiling Light provides directed, controlled and balanced LED light scaled for residential, hospitality and commercial settings. Its slim, sleek form is an enduring modern presence in your space. This fixture can be installed in any orientation, and has 180 degree arm rotation and 120 degree head rotation for aiming the lights where needed. Note: This fixture does not mount to a standard US junction box, and the included driver must be installed in a remote location.
