Haim Recessed Plug-In Wall Light

By Sonneman

Description

The Haim Recessed Plug-In Wall Light provides directed, controlled and balanced LED light scaled for residential, hospitality and commercial settings. Its compact, minimal form is an enduring modern presence in your space. This fixture can be installed in any orientation, and has 180 degree arm rotation and 120 degree head rotation for aiming the light where needed. 4-step touch dimmer on backplate.

Shown in textured white / textured white
