Manifesto Wall / Ceiling Light

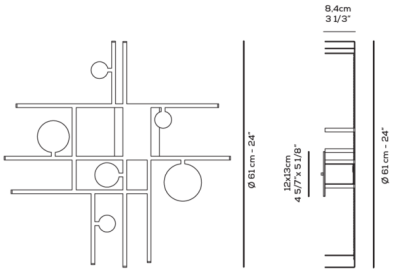

By Axolight

Description

The Manifesto Wall / Ceiling Light is characterized by stylistic audacity and aesthetic balance, drawing inspiration from abstractionism and neoplasticism. When the light is off, the piece manifests itself as a sculpture emerging from the surface, its elements relating to each other according to the golden ratio for a pleasing design. When the light is on, a luminous halo redraws its boundaries and enhances its emotional impact. Includes LED driver with TRIAC/ELV/0-10V dimming. NOTE: Mud plate and backplate sold separately.

Shown in intense black
