Angle Stool 45

By Form & Refine

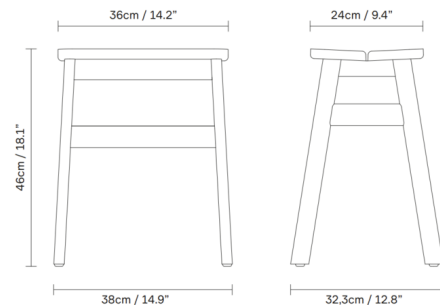

Description

The Angle Stool is a versatile piece that meets the requirements of form, functionality, comfort, and durability. The two sides of the seating base are angled 5 degrees towards each other. This unique design feature ensures surprising comfort for such a minimal footprint and makes this an ideal choice for seating. Designed for both domestic and commercial spaces, this stool is a sturdy seating option that can withstand high impact due to its high-quality solid seat and sturdy legs.
