A Line Stepstool

By Form & Refine

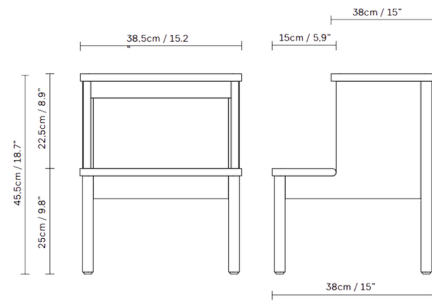

Description

The sturdy and versatile self-supporting A Line Stepstool can be used in any space as a step stool, a bedside table or extra seating. The A Line Stepstool features a number of important design elements, such as curved edge detailing, an extended lower step that creates extra space for storage and the addition of a handle beneath the upper step serve as a grip and makes it easy to move the stool from room to room.
