Lumiere Table Lamp

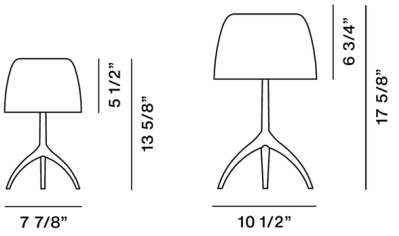

By Foscarini

Description

The Lumiere Table Lamp is a design icon, distinguished by its harmonious combination of a gleaming mouth-blown cased glass shade and slim, curved tripod base. The base is crafted out of die cast aluminum, either hand-finished and polished (Aluminum finish) or coated with liquid paint (Champagne, Black Chrome), and sits on anti-scratch silicone feet. Diffused light shines out through the shade, providing warm ambient illumination. A reimagining of the classic table lamp, the Lumiere is a refined contemporary piece that elevates any space. On/off switch on cord.

Shown in black chrome / cherry
