Gem Modern Branch Chandelier By Hammerton Studio

Description

The Gem Modern Branch Chandelier is jewelry for your home. Features gems of LED lit hand blown glass that are meticulously crafted by Hammerton artisans. The fixture gives a nod to an organic aesthetic that exudes casual sophistication. Each shade takes the place of a traditional bulb and unfolds with striking illumination. The finished look is relaxed, soft and unique. Each glass shade is a one-of-a-kind artisan creation. Note: Due to the weight of the 10 Light fixture, additional ceiling support is required.
