By Kristina Dam

Description

The Column Coat Rack is a functional and also highly sculptural coat rack that will add a beautiful, unique touch to your home. Column Coat Rack is inspired by the aesthetics of conic pillars and made from lovely, solid oak. The Coat Rack features 4 hooks and because of its small size, the coat rack can fit in almost anywhere from your hall, bathroom, and kitchen to your bedroom. Place the column coat rack next to each other if you're in need of more space for your clothes.
