Roboto XL Smart Ceiling Fan with Light By Modern Forms

Description

The Roboto XL Smart Ceiling Fan with Light is perfect for both indoor and outdoor spaces, offering a clean contemporary aesthetic that works well with many decor styles. Quiet and energy-efficient, its DC motor drives 8 blades to deliver powerful airflow while the LED light illuminates your space. A Bluetooth remote control is included and enables motor on/off, 6 speeds, forward and reverse, and light on/off with dimming to 1%. The free Modern Forms app on your smart device is another control option, with functions including speed and light brightness adjustment, Adaptive Learning, scheduling, and fan grouping. The fan also integrates with smart home tech such as Google Assistant, Amazon Alexa/Echo, and Samsung Smart Things for easy voice control. Optional accessories are sold separately. Note: The Brushed Nickel finish is not suitable for coastal environments.
