Vortic Flow Convertible Pendant / Semi Flush By Minka Lavery

Description

The Vortic Flow Convertible Pendant / Semi Flush is formed from layers of swirling metal bands, creating unique lighting effects and the illusion of constant movement. The inner bands finished in Mosaic Gold catch the eye as they shine in the light. This fixture can be installed as a pendant or semi-flush ceiling mount for use in entryways, bedrooms and living rooms. The 20 inch wide pendant is damp-rated, and the 16 inch is dryrated.

Shown in dark bronze / mosaic gold
