Alex Plug-In Wall Light By Mitzi

Description

Mid-century references inspired the Alex Wall Light, revitalizing a historic design for the modern age. The combination of aged brass and a variety of colors is simply sublime. From the perforated shade to the etched joints, no detail was overlooked. The plug-in design is completely hassle-free, allowing you to plug into an existing outlet vs. hardwiring. On/off switch on backplate.

Shown in aged brass / white
