Gaia Table Lamp

By Mitzi

Description

The Gaia Table Lamp elevates the everyday table lamp, infusing modern sophistication into any space. An oversized, antique brass dome shade steals the show, shining brilliantly against the ceramic base. Hand-crafted details like the white crackle glaze lend a wabi-sabi quality to the otherwise polished design. Functional pull chains reference the iconic banker's lamp, bringing the revered design into the future. On/off pull chains on socket.
