Malmo Sideboard By Punt Mobles

Description

Mario Ruiz's Malmo Sideboard lets you discover, as speleologists do, the space where the sideboard collection gathers different layers of different materials. Precious materials arise from the delicate wooden curves and become the main players. The sideboard features steel legs holding up a dark grey stained oak body and bronze metallic lacquer top and down-doors. The doors include 1 small door and 1 large door.

Shown in black / dark grey / bronze
