Velasca Sideboard Cabinet

By Punt Mobles

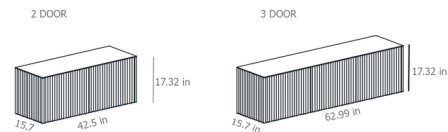

Description

Wood is the protagonist in its essence and in the detail of the doors characterized by a vertical pattern that denotes three-dimensionality to the Velasca Sideboard Storage. Once again Ludovica+ Roberto Palomba design a minimalist masterpiece that does not renounce to excite for Punt Mobles and brings warmth and texture to the space. A geometric and rigorous linear container, where the doors, unexpectedly engraved with a vertical pattern emphasizes the grain of the essence. Behind each doors reveals two story shelves. Note: 42 inch is only available in Ebony.
