BRAND Punt Mobles

DESCRIPTION

Wood is the protagonist in its essence and in the detail of the doors characterized by a vertical pattern that denotes three-dimensionality to the Velasca 3 Door Sideboard. A geometric and rigorous linear container sit on top of a base, and the doors, unexpectedly engraved with a vertical pattern emphasizes the grain of the essence, very lightly in a sort of delicate balance that seems almost to create a sculpture suspended in time. The three doors open to reveal two story shelves.
