

BRAND Seascape

DESCRIPTION

The Eclipse Ceiling Light provides diffused illumination with a clean-lined, minimalist design perfect for commercial spaces. Light from the integrated LED is directed downward from the ceiling, as well as around the edge of the frosted acrylic diffuser disc. A sheer organza fabric shade draped around the fixture completes the look with an elegant touch. The central disk is available in a variety of colors to add an eye-catching visual accent. Note: Dimmable to 50% with ELV dimmers.

Shown in: Green / Frosted
