Inny Pendant By Seascape

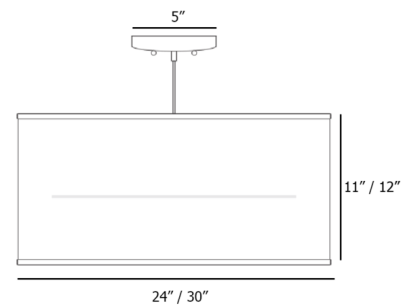

Description

The Inny Pendant combines two drum pendant shades into one for an understated look that can still add a pop of color. The outer shade features a white exterior with a colored silk fabric interior, while the interior shade is all white to reflect light and emphasize the color of the silk. The interior shade is also fitted with an acrylic diffuser to softly disperse light and reduce glare. Note: Title 20 and Title 24 compliant when used with compliant bulbs.

Shown in nickel / silk antique copper
