Marvin Plug-In Wall Light By Troy Lighting

Description

A conical metal shade is topped by a smaller, inverted cone-shaped Patina Brass accent, creating beautiful balance and proportion in this fresh, updated nod to the 1950s, with the Marvin Wall Light. When lit, the perforated shade puts on a dazzling display. Tailored and versatile, this portable wall sconce can be mounted to provide uplight or downlight with either a Soft Sand or Soft Black finish. On/off switch on backplate.

Shown in patina brass / sand
