Carver Table Lamp

By Troy Lighting

Description

As natural as it gets, the Carver Table Lamp's boulder-shaped body and crisp white color scheme define the organic beauty of this table lamp. The off-white linen shade extends over the base allowing the natural striations in the stone to shine through. No two cuts of natural stone are alike, every table lamp will be unique in its own visual character. On/off switch on cord.

Shown in stone grey / off white
