Windmill Smart Ceiling Fan with Light By WAC Lighting

Description

Add a casual rustic feel to your indoor or outdoor space with the Windmill Smart Ceiling Fan with Light. This energy-efficient solution for illuminating and refreshing your home is equipped with an LED luminaire and quiet DC motor. It can be controlled using the included Bluetooth remote control or the free WAC Smart Fans app on your smart device. Both can set motor on/off, 6 speeds, forward and reverse, and light on/off with dimming. The app includes additional functions such as Adaptive Learning, scheduling, and fan grouping. For easy voice control, the fan also integrates with smart home tech such as Google Assistant, Amazon Alexa/Echo, and Samsung Smart Things. Optional accessories are sold separately.
