Frame Dining Chair - Set of 2

By Woud Design

Description

When creating the Frame Dining Chair, Chinese-based designer Mario Tsai was inspired by the rigid exterior scaffolding of construction projects often seen in bustling Chinese cities. Frame pairs a rigid structure with a padded, upholstered seat and back to create a versatile seat that is as comfortable as it is stylish. Using both straight and curved lines, Frame offers a strong presence tempered by a delicate touch. Up to four chairs may be stacked atop one another while not in use. Includes one set of two chairs.
