The Array Highboard features a geometric shape constructed from wood veneer for a natural texture with modern Scandinavian character. The sleek legs lift the sideboards from the ground creating an elegant contrast between the cabinet on top and the thin metal construction underneath. Soft closing doors with black hardware make the cabinet both functional and delicate. Includes six adjustable shelves, adjustable feet and wall brackets.

Technical drawing of the 'L' shaped dining table, showing top and side views with dimensions in inches.

Top View Dimensions:

- Overall width: 31.5"
- Left section width: 15.7"
