Z-Bar Gen 4 Tunable White Floor Lamp By Koncept Lighting

Description

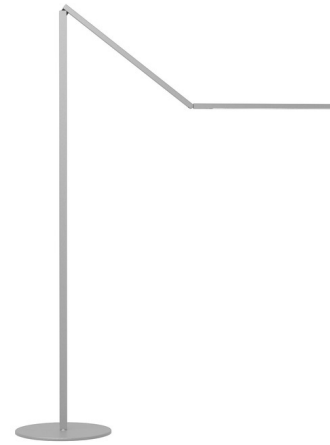

The sleek, minimalist Z-Bar Gen 4 Floor Lamp is the perfect addition to a contemporary office, workspace, or reading area. Its iconic, highly flexible three-bar design is improved in Gen 4, with hidden joints for a cleaner profile and greater articulation. Each arm segment has a wide range of motion, and the head pivots 180 degrees and spins 360 degrees for further finetuning of light direction. The LED module and improved optics provide bright lighting with minimal harsh shadows. Touch controls on the lamp head are used to turn the light on/off, adjust brightness level (continuous dimming), and adjust color temperature (tunable 2700K-5000K). An occupancy sensor maximizes energy efficiency, shutting the lamp off after 15 minutes of inactivity. Additional eco-friendly features are low power consumption, fully recyclable aluminum construction, and use of water-based paint.

Specifications

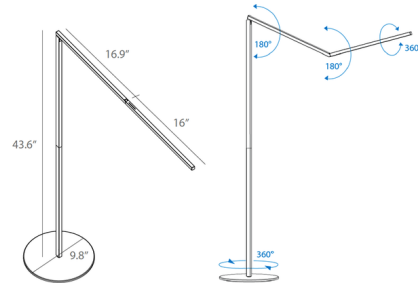

COLOR	N/A
BODY FINISH	Silver
WATTAGE	10.1W
DIMMER	Included
DIMENSIONS	9.8"W x 43.6"H x 32.9"D
INTEGRATED LED MODULE	1 x LED/10.1W/120V LED
