

DESIGNER Kenneth and Edmund Ng
BRAND Konzept Lighting

DESCRIPTION

The Focaccia Desk Lamp is perfect for any contemporary workspace or living space needing a sleek, energy-efficient lighting solution. The square head casts a diffused LED light, providing concentrated task lighting with minimal harsh shadows, while its slim, articulating body and swiveling head offer ultimate flexibility in positioning the light. Touch controls on the lamp head are used for power on/off, full-range dimming, and color temperature adjustment (tunable 2700K-5000K). Phones and other devices can be charged using the 1.5A USB-C port near the base. An occupancy sensor shuts the lamp off after 15 minutes of inactivity. Additional eco-friendly features are low power consumption, fully recyclable aluminum construction, and use of water-based paint. Choose from a standard square table base, a wireless charger base, or various options for mounting onto a table to save space. The wireless charger base is powered by plugging it into the USB-C port.

Shown in: Matte Black

SHADE COLOR	N/A
BODY FINISH	Matte Black
WATTAGE	7W
DIMMER	Included
DIMENSIONS	6.6"W x 18"H x 20.375"D
