Utility U Chair

By Stellar Works

Description

The Utility U Chair offers a sophisticated take on a classic industrial design. The chair's shape is inspired by utilitarian chairs seen in workshops and factories but fashionably elevated by a luxurious leather seat, solid wood legs and gold-colored steel piping. An upholstered back provides additional support for the user's comfort. Utility's combination of styles makes it a perfect addition to residential and commercial interiors alike.

Shown in natural walnut / bellagio black leather
