Utility V Chair By Stellar Works

Description

The Utility V Chair offers a sophisticated take on a classic industrial design. The chair's shape is inspired by utilitarian chairs seen in workshops and factories but fashionably elevated by a luxurious leather seat, solid walnut legs and gold-colored steel piping. A molded wood veneer back provides additional support for the user's comfort. Utility's combination of styles makes it a perfect addition to residential and commercial interiors alike.

Shown in natural walnut / bellagio black leather
