Utility Counter / Bar Stool

By Stellar Works

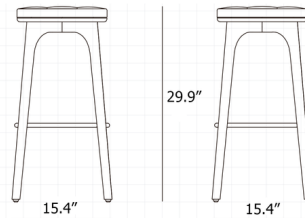

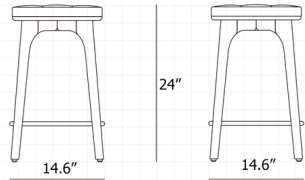

Description

The Utility Counter / Bar Stool offers a sophisticated take on a classic industrial design. The stool's shape is inspired by utilitarian stools seen in workshops and factories but fashionably elevated by a luxurious leather seat, solid wood legs, and gold-colored steel footrest. Utility's combination of styles makes it a perfect addition to residential and commercial interiors alike. Note: Crystal Chestnut Leather is only available in Counter height, and Crystal Black Leather is only available in Bar height.
