Ori Dining Armchair

By Stellar Works

Description

The Ori Dining Armchair subtly blends Nordic and Asian influences for a piece that will feel at home in any space where people gather to share a meal or interact. The backrest and seat are formed from laminate wood veneer into gentle organic forms for a distinctly Scandinavian expression. The powder coated steel frame is inspired by bamboo scaffolding, which is still commonly used on construction sites in Hong Kong. The Ori Chair can be stacked while not in use for easy storage.
