Fusion Lighted Mirror with TV By Electric Mirror

Description

The Fusion Lighted Mirror with TV is designed to maximize direct illumination. Ideal for precision tasks such as makeup application and shaving. White powder coated chassis for finished side view. Choice of 15.6 or 21.5 inch LED HDTV with HDMI, RF and component connections. Integrated speakers for high quality stereo sound. Electric Mirror's Spectrum Mirror TVs are best suited for bathrooms that are not overly bright. When the TV is off, the screen area is camouflaged, leaving only a light gray rectangle where the TV is located. Stereo speakers and waterproof remote included. Note: Not all options available with 21 inch TV. Note: The Fusion TV mirror must be installed in the W x H (width x height) orientation as listed; it cannot be installed in any other direction.
