Nile Table Lamp

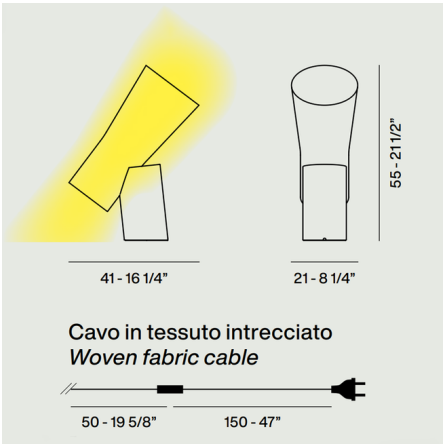

By Foscarini

Description

Designed by Rodolfo Dordoni, the Nile is a decorative lamp of remarkable character, with a vivid presence that brings sophisticated elegance to any space. Already beautiful when off, it takes on even more allure when the light filters through the precious blown glass, shining down to the surface below and upward through the two open sides of the diffuser. Carrara or Marquina marble base. On/off switch on cable.

Shown in white / white
