Herman Table Lamp By &Tradition

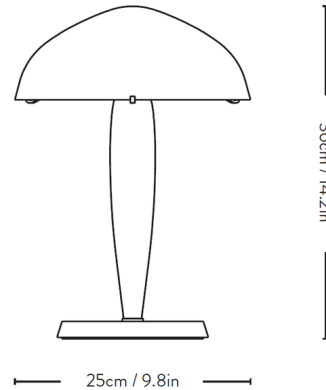

Description

The Herman SHY3 Table Lamp is a tribute to the enduring artistic legacy of notable Danish author Herman Bang. Much like the trailblazing author who shone a light on often-overlooked social issues, this lamp provides a beacon of light with a literary feel. It presents a refined aesthetic for your space, with its spun walnut wood stem set on a marble base and topped with a mouth-blown opal glass shade.

Shown in walnut / cream marble / opal
