Raku Portable Table Lamp By &Tradition

Description

Inspired by Japanese Raku pottery, the Raku SH8 Portable Table Lamp is compact yet has an impactful presence. Its smooth round shade crafted out of spun brass or aluminum offers a sleek profile, while its hand-sculpted ceramic base is finished with a crackle glaze that reminds us to appreciate imperfections. Take the cordless Raku with you to any indoor space that needs a pool of light. It includes a USB charging cable, charges in 3.5 hours, and operates for 11 hours when fully charged. A dimmer button under the base enables on/off and three levels of brightness: 100%, 70% and 40%.
