## Bon Petite Wooden Tray

By Ferm Living

### Description

The Bon Petite Wooden Tray takes inspiration from traditional Japanese design, with a simple silhouette and four blocky feet lifting the tray. Exposed joints on the corners of the tray highlight the tray's classic craftsmanship and oak construction. The wood is treated with a polyurethane coating to resist spills and stains, making Bon a great choice for holding drinks. Or place it on a desk or bedroom dresser as a catch-all for small objects.
