Inlay Cup With Saucer By Ferm Living

Description

The Inlay Cup with Saucer is crafted from a two-toned mix of stoneware clay which creates a marbled pattern unique to each piece. The cup and saucer's simple forms are finished with a high-gloss, clear glaze for a smooth texture. Use the cup and saucer together to serve tea or coffee, or use the saucer on its own as a catch-all tray on a table or dresser.

Shown in sand / brown
