# Post Lacquer Coffee Table

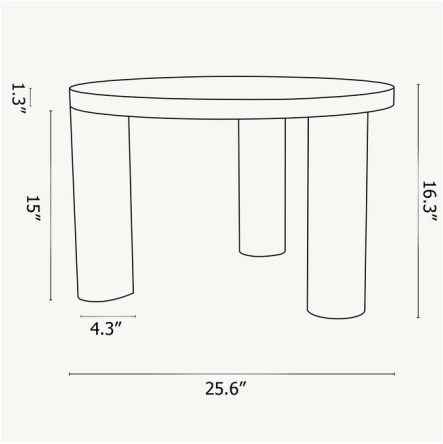

By Ferm Living

## Description

Inspired by the simple lines and visual weight of brutalist design, the Post Coffee table pairs understated shapes with welcoming colors to create an alluring design. Made from FSC-certified MDF covered with a lacquer coating, the table has three robust cylindrical legs and a circular tabletop.Note: High-gloss lacquer is a sensitive surface. To avoid scratches, never place items directly on the tabletop without a soft protective surface or coaster.
