Post Lacquer Coffee Table By Ferm Living

Description

Inspired by the simple lines and visual weight of brutalist design, the Post Coffee table pairs understated shapes with welcoming colors to create an alluring design. Made from FSC-certified MDF covered with a lacquer coating, the table has three robust cylindrical legs and a circular tabletop. Note: High-gloss lacquer is a sensitive surface. To avoid scratches, never place items directly on the tabletop without a soft protective surface or coaster.

Shown in cashmere
