Acrobate Wall Peg By Fermob

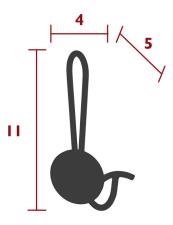

Description

The Acrobate Wall Peg is an accessory that can be attached to any wall in your home, both indoors and out. In the hallway to hang up your coats; in your bedroom to keep your bag off the floor; or by the pool to hang up your beach towels: all you have to do is decide on the place for it that's perfect for you! With its double hanging system, the Acrobate coat peg is twice as durable. Our wall-mounted coat peg's smart design is delicate, artisanal metalwork, partly made by hand.
