## Luxembourg Rocking Chair

By Fermob

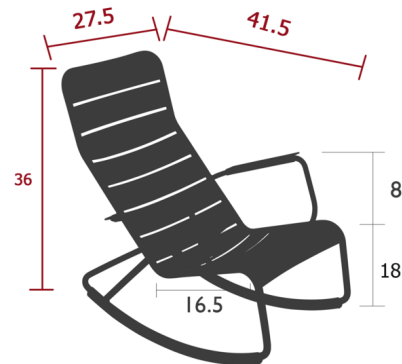

### Description

Designed by Frederic Sofia and part of Fermob's classic Luxembourg collection, the Luxembourg Rocking Chair is a polished and playful addition to any patio or garden space. The soft angles and curved back highlight the ergonomic design, and the aluminum construction makes this piece much lighter and easier to move than more traditional wooden rockers. This rocking chair is sleek, modern, and designed to withstand a variety of weather conditions.

Shown in poppy red
