Aplo Table Lamp

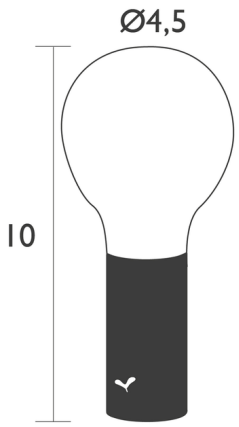

By Fermob

Description

The Aplo Table Lamp is a clever and wireless LED light! A portable lamp that is quick and easy to recharge with the included USB-C cable. Features temperatures (warm white 3000K and cool white 6000K) and light intensities (50% & 100%). Its autonomy makes it ideal for long evenings (7 to 15 hours). It's mainly designed for outdoor use and is composed of a polyethylene diffuser and an aluminum frame. It is shock and impact resistant and its design protects it from dust and splashes. Controlled with switch on bottom. Optional mounting accessories available and sold separately.

Shown in anthracite / white
