## Luxembourg Lounge Armchair Set of 2

By Fermob

### Description

Like the Luxembourg Lounge Chair, the Luxembourg Lounge Armchair features a wider seat than other pieces in the collection. While it doesn't lean as far back as the Low Chair, the back is tilted just enough to combine comfortability with functional versatility. The Lounge Armchair features ergonomic arm rests and is an excellent addition to outdoor living spaces, as its light, aluminum construction allows it to be moved and stacked with ease. Tubular aluminum frame, Curved aluminum slats seat, Curved aluminum slats backrest, Aluminum slat armrests, Silencing foot protectors, Stacking: x 6 (Height - stacked : 40 in.)

Shown in black cherry
