Arco K Limited Edition Floor Lamp By FLOS

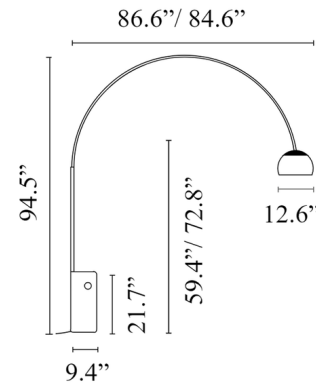

Description

Celebrate six decades of an undisputed design icon with the Flos Arco K Limited Edition Floor Lamp, a special release commemorating the 60th anniversary of the legendary Arco Floor Lamp. Each lamp in this exclusive series is meticulously numbered and made to order, signifying its unique place in design history. Inspired by the elegant curve of a streetlight, the original Arco, designed in 1962, features a distinctive swooping adjustable arm that gracefully suspends a sleek, spun aluminum shade. Its robust, weighted base provides exceptional stability without occupying extensive floor space, ingeniously incorporating a hole for easy lifting and beveled edges to eliminate any rough corners. For this extraordinary limited edition, the traditional marble base is reimagined in stunning, clear lead-free crystal, offering a contemporary minimalist aesthetic that beautifully complements any modern interior. A convenient button on the cord provides intuitive on/off functionality and allows for continuous dimming down to a subtle 10%, enabling precise control over the ambiance. The Arco K is more than just a lamp; it's an innovative, visually captivating masterpiece, perfect for adding a touch of luminous artistry over a dining table, a sofa, or as a commanding sculptural element in your living room, becoming a cherished heirloom for generations to come.
