Arco K Limited Edition Floor Lamp By FLOS

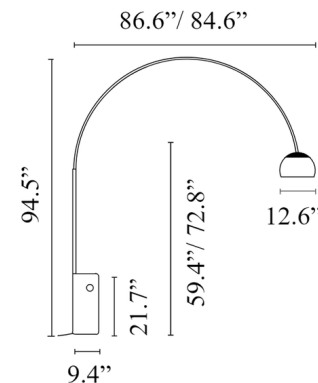

Description

FLOS celebrates the 60th anniversary of its Arco Floor Lamp with this Arco K limited edition. Each lamp is numbered and made to order. Inspired by a streetlight, the Arco floor lamp was designed in 1962 with a swooping adjustable arm that holds a sleek spun aluminum shade. Its weighty base provides stability without taking up too much floor space, and has a hole for lifting and beveled edges to eliminate rough corners. A button on the cord provides on/off function and continuous dimming down to 10%. For this limited edition, the base is made of clear lead-free crystal, offering a modern minimalist aesthetic. The innovative, visually appealing Arco is a beautiful piece to add to your dining or living room over a table or sofa.
