Raffi Linear Chandelier By Hinkley Lighting

Description

The Raffi Linear Chandelier's coastal, bohemian vibe is balanced by the distinctively modern shape. Its unique LED design offers an abundance of functional light, highlighted by the slim form that's hand-wrapped with traditional basket material. The unexpected design and Burnished Gold finish make it the perfect complement to any space. Standard incandescent or 0-10V dimming.

Shown in burnished gold / raffia
