Future Ceiling Fan with Light

By Minka Aire

Description

Experience the perfect fusion of style and functionality with the Future Ceiling Fan with Light. Its diecast motor housing and thoughtfully incorporated hardware accents on the blades embody modern industrial and transitional styles. Equipped with a DC motor and LED module, this fan conserves energy while delivering comfort for your indoor or outdoor space. It includes a hand-held remote control with wall holder (RC1000) which enables motor on/off, 6 speeds, forward and reverse, and light on/off with full range dimming. Optional accessories are sold separately.

Shown in flat white / flat white
