Wander Medium Mirror

By Petite Friture

Description

The Wander Medium Mirror from Petite Friture is available in three different color combinations, offering a variety of creative possibilities. They invite the mind to escape into a graphic, playful space. The collection is designed as a window to another world, one that is light and joyful. It features a smart and inventive hanging system that levitates the mirror on the wall, creating a beautiful halo reflection around the mirror. This effect is further enhanced by the 2-centimeter gap between the glass frame and the wall.
