Chloe Vanity Desk with Mirror

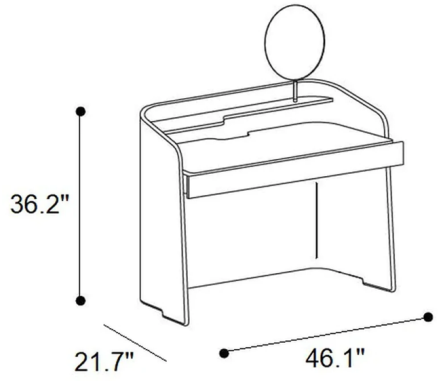

By Pianca

Description

The key feature of the Chloe Vanity Desk is the C-shaped carcass that encloses and structurally supports the individual elements. Curved and padded, it presents a gently shaped wraparound-effect silhouette, further highlighted by the upholstery. Exclusive and refined, Chloe's design is enhanced by the continuity of the surfaces, unbroken by handles. The drawers on the bedside table have a handy finger grip underneath, while the drawers on the chest feature recesses in the wooden side panel so that drawers can be gripped at the side.
