Ettore Marble Dining Table

By Pianca

Description

The Ettore Marble Dining Table pays homage to master designer Ettore Sottsass, a visionary pursuer of design that would break the traditional aesthetic rules, going beyond the purely ornamental and venturing into the realm of emotional, social as well as aesthetic experimentation. The central leg, monumental in size, tapers at the base to produce a lighter look and suggest an ironic contrast between the parts and an unexpected effect, fooling the eyes into believing it doesn't touch the ground.
