## Ettore Dining Table

By Pianca

### Description

Sculptural, symbolic, bold: the Ettore Dining Table stems from a desire to have fun assembling three classic, primary, geometric elements in an ironic way. The central leg, monumental in size, tapers at the base to produce a lighter look and suggest an ironic contrast between the parts and an unexpected effect, fooling the eyes into believing it doesn't touch the ground.

Shown in titanium / fog grey / walnut
