Haik Side Table/ Stool

By Pianca

Description

The Haik Side Table/ Stool presents itself as a harmonious blend of geometric shapes, able to reflect and play with the light of its beautiful metallic finishes, but also to fit with determination in areas essential in white color version. The craftsmanship of the manufacturing process makes each piece unique. The innovative strength of this object to construction, form, material and finish, makes it a piece of furniture distinctive, suitable for any environment inside and outside the house. Eclectic in its interpretation, it can be used as a bedside table and coffee table, stool. (Sold individually).
